Thank you to all the riders that came and supported the event. We hope you had an enjoyable day. It was our first attempt at running an Oset Cup and we thought the sections were about spot on looking at the scores. We will make the white route easier next time for the beginners so maybe think about riding the red route if you found it quite easy and want to challenge yourself! Huge thanks to our land owner Pete. Thanks to Simon @ Oset for all the trophies and support. Thank you to all the club members and observers who helped put on the event as without them we have no sport. See you all soon. Follow us on facebook for more details of future events.
